

National Digital Learning Policy — Annexure

Document Type	Annexure	Reference Record	heirs-pol-2026-014
Department	Higher Education Department	Reference	HEIRS/POL/2026/014
Year	2026	Status	Active

Demo / Synthetic Document: This document was created solely for demonstration of the HEIRS project. It is not an official government order, regulation, policy, scheme, or legal document. All content is synthetic and presented only for project presentation purposes.

This annexure supports institutional implementation of the National Digital Learning Policy. It provides a digital readiness checklist, suggested performance indicators, a sample institution self-assessment table and implementation milestones to guide planning and monitoring.

A. Digital Readiness Checklist

Institutions complete this checklist annually, marking each item as Achieved, Partially Achieved or Not Yet Achieved, with a note and evidence reference where relevant.

Readiness Area	Indicative Standard
Campus connectivity	Reliable high-bandwidth connection available across academic buildings.
Classroom equipment	Digital teaching facility (projection, sound, interaction) in at least 50% of classrooms.
Computer laboratories	At least one working laboratory per department or per 100 students.
Device lending library	Working devices available for students without personal access.
LMS	Institutional LMS live with course shells for all active courses.
Faculty training	All faculty completed the digital pedagogy programme; 20 hours annual refresh.
Digital content	Core courses have structured digital content on the LMS.
Student onboarding	Orientation programme delivered each semester.
Accessibility	Accessibility coordinator appointed; captions/transcripts standard on multimedia.
Cybersecurity	Baseline policy adopted; backups, access control and incident log in place.
Data privacy	Privacy notice published; data protection officer designated.

Readiness Area	Indicative Standard
Readiness reporting	Self-assessment and implementation briefs submitted on time.

B. Suggested Indicators

Indicator	Suggested Target
Share of core courses in blended mode	25% by Year 3
Faculty who completed the digital pedagogy programme	100% by Year 2
Courses with complete LMS materials	80% by Year 2
Students with verified device access	90% by Year 2
New video content with captions	100%
Institutions submitting readiness self-assessment	100% annually
Completion of cybersecurity baseline	100% by Year 1
Student satisfaction with digital delivery	60% positive on annual survey by Year 3

C. Sample Institution Self-Assessment Table

The table below illustrates how an institution completes the self-assessment. Responses must be based on evidence and verified by the Digital Learning Coordinator.

Readiness Area	Status	Evidence Reference	Priority for Next Year
Campus connectivity	Partially Achieved	Network audit report (Feb 2026)	Upgrade hostel connectivity
Classroom equipment	Partially Achieved	Classroom inventory (Mar 2026)	Equip four lecture halls
LMS	Achieved	LMS deployment record (Jan 2026)	Extend to all courses
Faculty training	Not Yet Achieved	Training register (partial)	Complete first cohort; schedule refresh
Accessibility	Not Yet Achieved	No coordinator appointed	Appoint coordinator; caption backlog
Cybersecurity	Partially Achieved	Backup policy (draft)	Finalise policy; run staff awareness

D. Implementation Milestones

Milestone	Timeline	Responsible
Infrastructure assessment completed	Month 2	ICT coordinator
Digital Learning Coordinator appointed	Month 2	Principal / Director
Implementation plan approved	Month 4	Implementation Committee
LMS deployed and staff trained	Month 8	ICT team
First faculty training cohort certified	Month 8	Faculty training lead
Priority courses available in blended mode	Month 12	Board of Studies
Student onboarding completed	Each semester	Student services
First self-assessment submitted	Month 12	Coordinator
Accessibility audit and remediation started	Month 10	Accessibility coordinator
Cybersecurity baseline adopted	Month 6	ICT coordinator

Notes

Institutions may adapt the milestone dates to align with their academic calendar, but the relative sequence and annual reporting obligations remain unchanged. The annexure is a living document and will be refreshed when the parent policy is next reviewed.
