Purpose of this Guide

This guide supports institutions, officials and beneficiaries in applying the provisions of Quality Assurance and NAAC Alignment Policy consistently. It explains eligibility, expected procedures and the supporting arrangements that govern day-to-day practice.

Issued in support of Quality Assurance and NAAC Alignment Policy, this guide translates the framework into practical steps for implementation. It is intended to be read alongside the principal document and any related circulars.

Scope of Application

The guidance applies to all institutions and stakeholders falling within the scope of Quality Assurance and NAAC Alignment Policy. Specific requirements vary according to institutional type, size and stage of implementation.

Except where expressly stated otherwise, the guidance applies uniformly across Directorate of Collegiate Education, and institutions should treat it as the reference point for day-to-day decisions on Quality Assurance.

Preconditions

Eligible participants should meet the conditions set out in Quality Assurance and NAAC Alignment Policy, provide the required information, and comply with the procedural expectations described in this guide.

Key Steps

The recommended sequence is to establish governance, communicate expectations, adopt the required arrangements for Quality Assurance, verify compliance, and report outcomes through the agreed channel.

1. Conduct an initial readiness review against Quality Assurance, NAAC.
2. Brief governing bodies, staff and relevant stakeholders on the expectations.
3. Apply the arrangements and maintain the required records.
4. Report on a regular cycle and act on review findings.
5. Appoint a lead officer and notify Directorate of Collegiate Education of the designated contact.

Allocation of Responsibility

Clear segregation of duties is encouraged, with institutional leadership providing oversight, the designated office managing administration, and internal controls verifying that practice matches policy.

Operating Steps

Institutions should maintain a written procedure capturing each step of the process, including eligibility checks, documentation, decision-making and appeals, consistent with the provisions of Quality Assurance and NAAC Alignment Policy.

Reporting Requirements

Reports should be submitted in the prescribed format and within the stated deadlines, summarising compliance, outcomes, exceptions and any corrective actions taken.

Way Forward

Effective implementation of Quality Assurance and NAAC Alignment Policy will depend on sustained institutional commitment and close coordination between Directorate of Collegiate Education and the sector. Institutions are encouraged to embed the arrangements described here into their normal planning and review cycles.
