The document mandates periodic self-assessment against Affiliation, disclosure of material information to Directorate of Collegiate Education, and corrective action where institutional performance falls short of the stated expectations.

The document mandates periodic self-assessment against Affiliation, disclosure of material information to Directorate of Collegiate Education, and corrective action where institutional performance falls short of the stated expectations.

Implementation Framework

Institutions are expected to appoint a lead authority for implementation, adapt the framework to local context, and report progress to Directorate of Collegiate Education in line with the prescribed cycle.

A dedicated implementation pathway, covering readiness assessment, capacity building and progressive rollout, has been designed to allow institutions of varying size and maturity to comply.

Roles and Responsibilities

Clear allocation of responsibility is expected at institutional level, with Directorate of Collegiate Education acting as the coordinating authority for evaluation, escalation and cross-institutional learning.

Heads of institutions bear overall responsibility for embedding Affiliation, supported by designated coordinators, academic bodies and administrative units within each institution.

Monitoring and Evaluation

Progress will be monitored through annual institutional returns, targeted reviews and outcome indicators maintained centrally by Directorate of Collegiate Education. Findings will inform guidance and, where necessary, corrective measures.

Closing Note

Effective implementation of Affiliation and Recognition Regulation for Affiliated Colleges will depend on sustained institutional commitment and close coordination between Directorate of Collegiate Education and the sector. Institutions are encouraged to embed the arrangements described here into their normal planning and review cycles.
