This implementation guidelines gives effect to National Digital Learning Policy for Higher Education and covers the purposes, responsibilities and operating expectations associated with Digital Learning. It should be read alongside supporting guidance and any subsequent circulars.

Introduction

This guide supports institutions, officials and beneficiaries in applying the provisions of National Digital Learning Policy for Higher Education consistently. It explains eligibility, expected procedures and the supporting arrangements that govern day-to-day practice.

This document accompanies National Digital Learning Policy for Higher Education and provides operational detail for Digital Learning, Universities. Its purpose is to help those responsible for implementation act correctly, consistently and on time.

Scope of Application

Except where expressly stated otherwise, the guidance applies uniformly across Higher Education Department, and institutions should treat it as the reference point for day-to-day decisions on Digital Learning.

Covered entities are expected to align their internal procedures with the expectations set out here, adapting them only where local conditions or statutory requirements justify a documented variation.

Preconditions

Eligible participants should meet the conditions set out in National Digital Learning Policy for Higher Education, provide the required information, and comply with the procedural expectations described in this guide.

Sequence of Actions

The recommended sequence is to establish governance, communicate expectations, adopt the required arrangements for Digital Learning, verify compliance, and report outcomes through the agreed channel.

1. Apply the arrangements and maintain the required records.
2. Report on a regular cycle and act on review findings.
3. Appoint a lead officer and notify Higher Education Department of the designated contact.
4. Conduct an initial readiness review against Digital Learning, Universities.
5. Brief governing bodies, staff and relevant stakeholders on the expectations.

Responsibilities

Named officials within each institution are accountable for operational application, for reporting variances, and for ensuring that staff understand and follow the expectations set out in National Digital Learning Policy for Higher Education.

Operational Procedure

Institutions should maintain a written procedure capturing each step of the process, including eligibility checks, documentation, decision-making and appeals, consistent with the provisions of National Digital Learning Policy for Higher Education.

Submission Cycle

Institutions are expected to retain supporting evidence for the reporting period and to make it available for verification by Higher Education Department or its authorised representatives.

Conclusion

This document is designed to evolve with institutional experience. Feedback from stakeholders will shape refinements, ensuring that the framework remains practical, proportionate and fit for purpose.
