Issued in 2026 by Higher Education Department under reference HEIRS/POL/2026/067, this main policy establishes the arrangements supporting Placement and Recruitment Policy for Higher Education. In scope are Placement, Recruitment, Industry Partnerships, together with related expectations for institutions and stakeholders.

Background and Rationale

The policy landscape has evolved considerably in recent years, and institutions under Higher Education Department have responded with renewed attention to Placement, Recruitment, Industry Partnerships. This main policy provides the framework needed to guide consistent practice across the sector.

Stakeholders across Higher Education Department have emphasised the importance of Placement as a foundation for credible, well-governed higher education. The present main policy responds to that expectation by setting out clear, practical direction.

Purpose and Intent

The purpose of this document is to establish a consistent basis for Placement, Recruitment across Higher Education Department-affiliated institutions, to clarify responsibilities, and to define the outcomes expected of every stakeholder.

This main policy is intended to translate the objectives of Placement and Recruitment Policy for Higher Education into actionable direction for institutions, officials and other stakeholders, ensuring that Placement is pursued in a structured and accountable manner.

Policy Objectives

The principal objectives are to strengthen Placement, harmonise institutional approaches to Recruitment, and establish measurable indicators through which progress can be tracked and reported.

The principal objectives are to strengthen Placement, harmonise institutional approaches to Recruitment, and establish measurable indicators through which progress can be tracked and reported.

Scope

This document covers all activities and stakeholders associated with Placement within institutions affiliated to Higher Education Department, together with arrangements for monitoring, review and reporting of outcomes.

Applicable across the full range of institutions governed by Higher Education Department, the document addresses planning, delivery, resourcing and evaluation, and may be supplemented by operational guidance issued subsequently.

Core Provisions

Key provisions establish minimum standards for Placement, define the responsibilities of institutional leadership, and require documented arrangements for Recruitment.

Institutions are required to integrate Placement, Recruitment into annual planning cycles, designate accountable officers, and maintain records demonstrating compliance with the expectations set out here.

Implementation Framework

Institutions are expected to appoint a lead authority for implementation, adapt the framework to local context, and report progress to Higher Education Department in line with the prescribed cycle.

A dedicated implementation pathway, covering readiness assessment, capacity building and progressive rollout, has been designed to allow institutions of varying size and maturity to comply.

Roles and Responsibilities

Clear allocation of responsibility is expected at institutional level, with Higher Education Department acting as the coordinating authority for evaluation, escalation and cross-institutional learning.

Higher Education Department provides policy direction, capacity support and performance oversight, while institutions translate the framework into operational practice and maintain day-to-day accountability.

Monitoring and Evaluation

Progress will be monitored through annual institutional returns, targeted reviews and outcome indicators maintained centrally by Higher Education Department. Findings will inform guidance and, where necessary, corrective measures.

Way Forward

Effective implementation of Placement and Recruitment Policy for Higher Education will depend on sustained institutional commitment and close coordination between Higher Education Department and the sector. Institutions are encouraged to embed the arrangements described here into their normal planning and review cycles.
