This compliance guidelines gives effect to Higher Education Institution Accreditation Regulation and covers the purposes, responsibilities and operating expectations associated with Accreditation. It should be read alongside supporting guidance and any subsequent circulars.

## Introduction

This guide supports institutions, officials and beneficiaries in applying the provisions of Higher Education Institution Accreditation Regulation consistently. It explains eligibility, expected procedures and the supporting arrangements that govern day-to-day practice.

This document accompanies Higher Education Institution Accreditation Regulation and provides operational detail for Accreditation, Quality Assurance. Its purpose is to help those responsible for implementation act correctly, consistently and on time.

## Applicability

The guidance applies to all institutions and stakeholders falling within the scope of Higher Education Institution Accreditation Regulation. Specific requirements vary according to institutional type, size and stage of implementation.

The guidance applies to all institutions and stakeholders falling within the scope of Higher Education Institution Accreditation Regulation. Specific requirements vary according to institutional type, size and stage of implementation.

## Preconditions

Eligible participants should meet the conditions set out in Higher Education Institution Accreditation Regulation, provide the required information, and comply with the procedural expectations described in this guide.

## **Key Steps**

Institutions should first designate accountability, then prepare supporting documentation, brief staff, apply the arrangements and schedule a formal review of the resulting practice.

1. Apply the arrangements and maintain the required records.
2. Report on a regular cycle and act on review findings.
3. Appoint a lead officer and notify Technical Education of the designated contact.
4. Conduct an initial readiness review against Accreditation, Quality Assurance.
5. Brief governing bodies, staff and relevant stakeholders on the expectations.

## **Responsibilities**

Named officials within each institution are accountable for operational application, for reporting variances, and for ensuring that staff understand and follow the expectations set out in Higher Education Institution Accreditation Regulation.

## **Operating Steps**

Operational practice must follow an auditable sequence: application or initiation, verification, decision, communication, recording and, where applicable, renewal or extension.

## **Reporting**

Institutions are expected to retain supporting evidence for the reporting period and to make it available for verification by Technical Education or its authorised representatives.

## **Closing Note**

The success of this regulation rests on shared understanding and consistent application. Technical Education stands ready to support institutions in implementing Accreditation and looks forward to reviewing collective progress.
