This guide supports institutions, officials and beneficiaries in applying the provisions of Digital Governance and E-Administration Policy consistently. It explains eligibility, expected procedures and the supporting arrangements that govern day-to-day practice.

Applicability

The guidance applies to all institutions and stakeholders falling within the scope of Digital Governance and E-Administration Policy. Specific requirements vary according to institutional type, size and stage of implementation.

Except where expressly stated otherwise, the guidance applies uniformly across University Administration, and institutions should treat it as the reference point for day-to-day decisions on Digital Governance.

Readiness

Prior to implementation, institutions should confirm readiness in respect of Digital Governance, E-Administration, designate the officers responsible, and document any existing arrangements that will be retained or replaced.

Key Steps

Institutions should first designate accountability, then prepare supporting documentation, brief staff, apply the arrangements and schedule a formal review of the resulting practice.

1. Report on a regular cycle and act on review findings.
2. Appoint a lead officer and notify University Administration of the designated contact.
3. Conduct an initial readiness review against Digital Governance, E-Administration.
4. Brief governing bodies, staff and relevant stakeholders on the expectations.
5. Apply the arrangements and maintain the required records.

Allocation of Responsibility

Named officials within each institution are accountable for operational application, for reporting variances, and for ensuring that staff understand and follow the expectations set out in Digital Governance and E-Administration Policy.

Operational Procedure

Institutions should maintain a written procedure capturing each step of the process, including eligibility checks, documentation, decision-making and appeals, consistent with the provisions of Digital Governance and E-Administration Policy.

Reporting Requirements

A consolidated reporting cycle will allow University Administration to track performance across the sector and to identify emerging issues requiring guidance or intervention.

Closing Note

This document is designed to evolve with institutional experience. Feedback from stakeholders will shape refinements, ensuring that the framework remains practical, proportionate and fit for purpose.
