

Examination Conduct and Malpractice Rules — Compliance Checklist

Document Type	Compliance Checklist	Reference Record	ua-rul-2024-030
Department	University Administration	Reference	UA/RUL/2024/030
Year	2024	Status	Active

Demo / Synthetic Document: This document was created solely for demonstration of the HEIRS project. It is not an official government order, regulation, policy, scheme, or legal document. All content is synthetic and presented only for project presentation purposes.

This compliance checklist gives effect to Examination Conduct and Malpractice Rules and covers the purposes, responsibilities and operating expectations associated with Examinations. It should be read alongside supporting guidance and any subsequent circulars.

Implementation Milestones

Milestones should be confirmed in each institution's annual operating plan, with owners assigned and progress reviewed on a regular cycle.

Milestone	Timeline	Responsibility
Readiness assessment	Quarter 1	Institutions
Adoption of arrangements for Examinations	Quarter 2	Institutional leads
Staff engagement and communication	Quarter 2-3	Institutional leads
First reporting cycle	Quarter 4	Institutions / University Administration
Review and refinement	Following year	University Administration

Responsibility Matrix

Each activity should have a clearly named owner at institutional level, with University Administration providing the coordinating and oversight functions.

Activity	Lead	Support
Policy direction and oversight	University Administration	Institutional leadership

Activity	Lead	Support
Implementation of Examinations	Institutions	University Administration
Capacity building for Malpractice	Institutions	University Administration
Monitoring and reporting	University Administration	Institutions
Evaluation and refinement	University Administration	All stakeholders

Supporting Guidance

Where institutions require clarification, queries may be directed to the coordinating office in University Administration, which will issue guidance to ensure consistent interpretation.
