Issued in 2024 by University Administration under reference UA/RUL/2024/030, this rules notification establishes the arrangements supporting Examination Conduct and Malpractice Rules. In scope are Examinations, Malpractice, Invigilation, together with related expectations for institutions and stakeholders.

Context and Background

The rules landscape has evolved considerably in recent years, and institutions under University Administration have responded with renewed attention to Examinations, Malpractice, Invigilation. This rules notification provides the framework needed to guide consistent practice across the sector.

Stakeholders across University Administration have emphasised the importance of Examinations as a foundation for credible, well-governed higher education. The present rules notification responds to that expectation by setting out clear, practical direction.

Object and Purpose

The purpose of this document is to establish a consistent basis for Examinations, Malpractice across University Administration-affiliated institutions, to clarify responsibilities, and to define the outcomes expected of every stakeholder.

By setting out the rationale, scope and operating expectations for Examinations, the document aims to reduce ambiguity, support institutional planning and improve the quality of Malpractice across the system.

Objectives

The principal objectives are to strengthen Examinations, harmonise institutional approaches to Malpractice, and establish measurable indicators through which progress can be tracked and reported.

In pursuing these objectives, University Administration intends to create conditions in which institutions can deliver consistent, high-quality outcomes in respect of Examinations, Malpractice, Invigilation, with clear lines of accountability.

Scope and Applicability

The provisions apply to all universities and colleges under University Administration. Sector partners, including employers and professional bodies, are expected to support implementation within their respective spheres.

This document covers all activities and stakeholders associated with Examinations within institutions affiliated to University Administration, together with arrangements for monitoring, review and reporting of outcomes.

Principal Provisions

Institutions are required to integrate Examinations, Malpractice into annual planning cycles, designate accountable officers, and maintain records demonstrating compliance with the expectations set out here.

The document mandates periodic self-assessment against Examinations, disclosure of material information to University Administration, and corrective action where institutional performance falls short of the stated expectations.

Implementation Framework

Institutions are expected to appoint a lead authority for implementation, adapt the framework to local context, and report progress to University Administration in line with the prescribed cycle.

Implementation will proceed through phased institutional adoption, supported by professional development, shared guidance and a common reporting calendar established by University Administration.

Institutional Responsibilities

Heads of institutions bear overall responsibility for embedding Examinations, supported by designated coordinators, academic bodies and administrative units within each institution.

Clear allocation of responsibility is expected at institutional level, with University Administration acting as the coordinating authority for evaluation, escalation and cross-institutional learning.

Monitoring and Evaluation

Monitoring covers both compliance and quality, combining documented evidence with stakeholder feedback to build a complete picture of institutional performance over time.

Closing Note

The success of this rules rests on shared understanding and consistent application. University Administration stands ready to support institutions in implementing Examinations and looks forward to reviewing collective progress.
